THE
BANTING
RESEARCH
FOUNDATION

"Fostering New Canadian Medical Researchers Since 1925"

Charitable Business No. 10807 2927 RR0001

The Banting Research Foundation is pleased to announce the annual call for submission of grant applications. The Foundation provides seed grants in all fields of medical research to new investigators who apply within the first three years of their initial independent academic or research appointment at Canadian universities, research institutes, or hospitals. There is a special emphasis on innovative proposals that have the potential to contribute to the understanding of fundamental mechanisms of disease processes and contribute to their cure.

Annual grants of up to $20,000 are awarded not to exceed a ceiling for total operating grants of $60,000 per annum, comprised of The Banting Research Foundation award together with any other operating grants received. The limit on total start-up funds from the host institution is $100,000.

The deadline for submission of grant applications is March 15, 2012.

Enclosed are the grant application procedure and application form. These documents can also be downloaded from the Foundation's website at www.utoronto.ca/bantresf Applications must be completed in accordance with the stated guidelines.

Please submit any questions you may have by telephone to The Banting Research Foundation at 416-595-9046.

Please inform all departments, research institutes, and teaching hospitals of the upcoming grant competition.

John S. Floras MD
