Aboriginal Skills & Employment Training Strategy (ASETS)

We offer regular follow ups on client progress as well as assist the client with any barriers that may affect their educational performance.

We fund:

- Off reserve Aboriginal Peoples
- Full-time studies (full day training & over 25 hours per week)
- Courses that take place at a school or training site
- Those who are unemployed, underemployed or who do not possess employable skills
- College course up to 52 weeks / Final year of a university program

What is required in order to apply:

- An acceptance letter from the training institution or employer
- A schedule of all fees for the course
- Documents from the school stating the start and end date of the training
- Address, phone/fax number from the training institution or employer
- Contract person at the training institution or business
- A current resume
- If the client is currently receiving EI benefits, the caseworker’s name and contact information must be provided, along with the start and end date of the EI claim
- If the client is receiving Social Assistance, the caseworker’s name and contact information is required
- You must have applied for funding with your local ASETS holder
- Details and contact information of any other funding partners must be provided (rejection letter)
