

13th Annual Ontario **THORACIC CANCER** Conference

April 20th-22nd, 2018

Queen's Landing 155 Byron Street, Niagara-on-the-Lake, ON

TARGET AUDIENCE

Medical Oncologists, Radiation Oncologists, Radiation Therapists, Thoracic Surgeons, Respirologists, Nurses, Research Personnel, Trainees and any Specialist involved in the treatment and management of thoracic malignancies.

LEARNING OBJECTIVES

By attending this activity, participants will be able to:

- Learn the process of MAID in Ontario.
- Identify the application of clinical Pacific trial results to their patients in the clinic.
- Increased awareness of the application of TNM staging to small cell lung cancer and the role of local therapy for T1 N0 M0 small cell lung cancer and therapeutic options.
- Recognize the benefits and limits of local therapy for pulmonary metastases.
- Learn the role of the nurse navigator in the continuum of care of the cancer patient.
- Identify the rationale for changing from ECF to FLOT and factors that contribute to treatment decisions in curative intent therapy for adenocarcinoma of the esophagus and ge junction.
- Discuss the management of difficult cases of thymoma.
- Identify the treatment options for patients with mesothelioma and factors contributing to treatment decisions.
- Provide Updates on Lung cancer screening and esophageal cancer pathway.

Abstract Submissions:

The deadline to submit an abstract for this year's event is **April 6, 2018**

Submissions will undergo blinded peer-review and all selected abstracts will be displayed as posters. The top 10 authors will have the opportunity to give a brief oral presentation to the audience and will have their registration fee paid. The top 2 presenters will have their hotel cost paid.

All are welcome to submit their work. MD's and other health professionals are welcome to submit their abstracts however only submissions from trainees from all disciplines will be judged.

More information about the abstract submission can be found on the activity website www.ontariothoraccancer.ca
