McMaster University

Accommodations

Please note that the Fallsview Casino is no longer offering conference blocks of rooms. You are still welcome to make an individual booking there, but no conference rate would apply. As an alternative, please note that a small block of rooms has been reserved for **May 4 & 5 2018** at the **HILTON NIAGARA FALLS FALLSVIEW**. The Hilton is connected by a walkway to the Fallsview Casino, and is therefore very conveniently located. Please call the hotel's group reservation office directly at 1-866-873-9829 to book your accommodation, and state that you are with the "CAN-AM ANESTHESIA CONFERENCE." Be sure to book by April 4, 2018 to ensure the conference rate.

Special Rates:

Rooms for Friday, May 4, 2018
\$149.00 (Cdn) Standard Room
\$189.00 (Cdn) Fallsview Room

Rooms for Saturday, May 5, 2018
\$199.00 (Cdn) Standard Room
\$239.00 (Cdn) Fallsview Room

www.niagarafallshilton.com

Accreditation Statements

McMaster University Continuing Health Sciences Education Program (CHSE) is fully accredited by the Committee on Accreditation of Continuing Medical Education (CACME) to provide RCFPC Mainpro and RCPSC Maintenance of Certification (MOC) study credits for Continuing Medical Education.

This activity is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of **The Royal College of Physicians and Surgeons of Canada** and approved by McMaster University, Continuing Health Sciences Education Program for up to 5.5 MOC Section 1 hours.

Through an agreement between The Royal College of Physicians and Surgeons of Canada and The American Medical Association, physicians may convert Royal College MOC credits to AMA PRA Category 1 Credits™. Information on the process to convert Royal College MOC credit to AMA credit can be found at: www.ama-assn.org/go/internationalcme

Each healthcare provider should claim only those hours of credit that he/she actually spent in the educational activity

Cancellation Policy

McMaster University reserves the right to cancel a course due to insufficient registration or any circumstances that are beyond our control. Cancellations received before April 20, 2018 will be refunded less a 25% administrative fee to a maximum of \$50.00. No refunds will be issued for cancellations received after this date.

Liability

Continuing Health Sciences Education (CHSE) hereby assumes no liability for any claims, personal injury, or damage:

- To any individual attending this activity.
- That may result from the use of technologies, program, products and/or services at this activity.
- That may arise out of, or during this activity.

Freedom of Information and Protection of Privacy Act

The information on this form is collected under the authority of the McMaster University Act, 1976. The information will be used for administrative purposes, including: your registration in the course; preparation of course materials for your use and to notify you of other courses or pertinent information. Financial information will be used to process applicable fees and will be retained for future reference. This information is protected and is being collected pursuant to section 39(2) and section 42 of the Freedom of Information and Protection of Privacy Act of Ontario (RSO 1990). Questions regarding the collection or use of this personal information should be directed to the University Secretary, Gilmour Hall, Room 210 McMaster University.

Confirmation of Registration

A written acknowledgment of your registration will be sent prior to the activity should you provide CHSE with your email address. Receipts will be provided in your registrant package upon arrival at the activity. Your registration is not complete unless a confirmation is received. If you have not received a confirmation within 7 days of registration, please contact the CHSE office.

Photography

Candid photos will be taken at the activity. Your registration implies your permission for these photos to be used for promotional material. Individuals in photographs will not be identified.

Learning Objectives

By attending this activity, participants will be able to:

- Describe evidence-based advancements in caring for pediatric patients.
- Describe evidence-based management of pediatric chronic pain patients.
- Comprehend the implications of corrected congenital cardiac disease/the hybrid heart on patient management.
- Advocate for the Anesthesiologist as a leader in peri-operative communication.
- Further refine anesthetic practices to optimize care of the ambulatory surgical patient in the era of opioid crisis.
- Recognize opportunities for the rational use of neuromuscular blockade and reversal agents.
- Apply the implications of cannabis use on anesthetic practice.
- Identify key considerations in patients with, or at high risk of, obstructive sleep apnea.

Agenda

*Activity subject to change
