Abstract Submissions:

The deadline to submit an abstract for this year's event is **March 10th, 2012**.

Submissions will undergo blinded peer - review and all selected abstracts will be displayed as posters. The presenting author of the top 2 abstracts will have the opportunity to give an oral presentation to the audience and will have their registration fee and hotel costs paid. All selected abstracts for poster presentations will be published in "Current Oncology."

All are welcome to submit their work. MD's and other health professionals are welcome to submit their abstracts however only submissions from trainees from all disciplines will be judged.

More information about the abstract submission can be found on the conference website (www.ontariothoraccancer.ca)

- b. What You Need to Know About Brachytherapy
Ranjan Sur

Panel Discussion on Airway Obstruction

Christian Finley, Ranjan Sur

12:00pm

CLOSING REMARKS, EVALUATIONS & LUNCH

7th Annual Ontario **THORACIC CANCER** Conference

DISCLOSURE OF POTENTIAL CONFLICTS OF INTEREST

In keeping with accreditation guidelines, McMaster University; Continuing Health Sciences Education requires all speakers and planning committee members participating in this event to disclose any involvement with industry or other organizations that may potentially influence the presentation of the educational materials or program being offered. Disclosure may be done verbally or using a slide prior to the speaker's presentation.

CONFERENCE PACKAGES

As the registrant your conference package includes breakfast, nutritional breaks, lunch and dinner. Your conference lanyard must be worn at all times throughout the weekend. If you have a guest accompanying you to the conference, their meals are at their own cost and will be billed directly.

STUDY CREDITS

As an organization accredited to sponsor Continuing Medical Education for Physicians, by both the Committee on Accreditation of Canadian Medical Schools and the Accreditation Council for Continuing Medical Education of the United States, Continuing Health Sciences Education, McMaster University designates this educational program as meeting the criteria for:

The Royal College of Physicians and Surgeons of Canada

This educational event is approved as an Accredited Group Learning Activity under Section 1 of the Framework of CPD options for the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada for a maximum of **10** credits per participant.

Each physician should claim only those hours of credit that he/she actually spent in the educational activity.
