This message is for all Faculty of Health Sciences faculty and staff in the Health Sciences Centre (HSC) and the Michael G. DeGroote Centre for Learning and Discovery (MDCL):

The north pedestrian entrance to the Health Science Centre will be closed Nov. 23 to 26 as a crane will be set up on the north side of the Health Sciences Centre (a.k.a. MUMC) between the Life Sciences building and MDCL.
The north-west pedestrian entrance into the Health Sciences Centre will remain available/open.
Access to the MDCL loading dock will remain available/open.
All Bicycle Racks within the work area will be temporarily moved closer to the north-west corner of the Health Sciences Centre.
The north pedestrian entrance will be re-opened on Sunday Nov. 26th, 2017 at 4 p.m. or earlier.
Department Managers and supervisors are asked to please advise their staff of this activity.
