

EVIDENCE BASED EMERGENCY MEDICINE CONFERENCE OCTOBER 21, 2011 HAMILTON CONVENTION CENTRE

Do you want to be on the cutting edge of Emergency Medicine... but you don't have enough time to **keep up to date** with the literature? Are you frustrated by conflicting evidence? If yes, then **EBEM 11** is for you!

Our speakers do the work for you. All of the literature from the past 2 years relevant to EM has been reviewed, and only the evidence that will **immediately change your practice** is presented.

Everything is clinically based and presented using real cases. Each of the sessions are **high impact, high yield** discussions with clinical faculty who face the same challenges as you.

TARGET AUDIENCE

Emergency Medicine Physicians, Emergency and Critical Care Nurses, Paramedics and Other Emergency Health Professionals

EBEM Co-Chairs:

Dr. Rob Kerr, MD, CCFP (EM)

Dr. Jonathan Sherbino MD, FRCPC
