

Interprofessional Simulation (Advanced Workshop)

Monday, May 7, 2018

1:00 p.m. to 5:00 p.m.

Pre-requisite: Prior introductory course/workshop training or experience in simulation based education (eg, CSBL-PFD Intro. to Simulation workshop, Royal College Simulation Educator Training Course, etc.)

McMaster University, Health Sciences Centre (to be confirmed with registration)

This advanced four-hour workshop is for faculty members interested in developing interprofessional simulation. This interactive session will include: hands-on experience planning, debriefing and exploring assessment and evaluation challenges in interprofessional simulation.

Learning Objectives - Participants will be able to:

- Adopt a common vocabulary and framework for developing, planning and evaluating interprofessional simulation
- Gain experience in planning an interprofessional simulation
- Practice debriefing an interprofessional simulation
- Explain the assessment and evaluation challenges around interprofessional simulation

Accreditation Statements:

McMaster University, Centre for Simulation-Based Learning (CSBL) is fully accredited by the Royal College of Physicians and Surgeons of Canada for Simulation Program for a five-year period (January 1, 2017 to December 31, 2021). As an accredited simulation program, all activities developed and provided by the Centre for Simulation-Based Learning are automatically approved as accredited activities within the Royal College's Maintenance of Certification (MOC) Program.

The Royal College of Physicians & Surgeons of Canada MOC Section 3: This activity is an Accredited Group Learning Activity (Section 3) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada and approved by McMaster University, Centre for Simulation-Based Learning for up to **3.75** MOC Section (credits automatically calculated).

PFD Pathways: FAST 4 hrs.

The **registration fee for this event is covered** for individuals from: Anesthesia; FamMed; Med; OB/GYN; Oncology; Peds; Psych; Surg; School of Nursing and School of Rehab. Science under Base Funding agreement with the Program for Faculty Development (PFD). **All other registrants, teaching McMaster students, will be required to submit a \$ 100.00 registration fee** via: McMaster University Chartfield #, or cheque made payable to: McMaster University and mailed to—Elda DiCroce, McMaster University, DBHSC-5004, 1280 Main St. W., Ham., ON L8S 4K1 .

Cancellation Policy: The University reserves the right to cancel an event due to insufficient registration or any circumstances beyond our control. Participant cancellations received before **Apr. 20, 2018** will be refunded less a 25% administrative fee.

Please mark your calendars and plan to join us on **May 7, 2018** !
