

Education Scholarship: From Innovation to Publication

Fri., June 8, 2018
10:45 A.M. – 12:00 P.M.

This interactive session is for anyone who has a “great idea” and wants to take it to the next level. How can you share your idea? How can you ground it in best practices? How can you get academic recognition? **Bring a real example (i.e., curriculum, teaching method, assessment tool, etc.) and we will work through the process.**

Learning Objectives:

PFD Pathways: BEST 1 hr.

By end of the session, participants will be able to -

- Define scholarship, contrasting research and innovation
- Map out the required steps to successfully complete a scholarly project
- Describe emerging platforms (eg., digital media) for dissemination of innovation

Facilitator:

Jonathan Sherbino,

BSc, MD, MEd, FRCPC, FAcadMed
Professor, Division of Emerg. Medicine,
Dept. of Medicine
Assistant Dean, MERIT (McMaster Education,
Research, Innovation and Theory)
