## Fellowship Program

This 2-year Fellowship program is designed to engage faculty in leading change, practice the scholarship of teaching and learning, and support faculty communities that provide mentoring and leadership in teaching and learning.

The Fellowship features two streams: 1) evaluating course impact and 2) implementing program change and Fellows will:

- Plan and implement a pedagogical project
- Participate in a network of LTL Fellows
- Provide mentorship and feedback to peers
- Disseminate project outcomes both within and beyond their departments
