## Information for Full Time Faculty

## Local Information & Services

McMaster is located in the Westdale area of Hamilton, on a 300-acre property that is sheltered by the Niagara Escarpment and bordered by conservation land and the Royal Botanical Gardens. Situated at the head of Lake Ontario, Hamilton is the third largest city in the province, and the region is one of the fastest growing in Canada.

Within minutes of award winning wineries and surrounded by lush farmland, Hamilton offers its residents a country lifestyle with all the benefits of a booming city. Affordable housing, together with access to world class athletic facilities, beautiful hiking and cycling trails, outstanding restaurants, and local theater make Hamilton one of the fastest growing cities in the country. Hamilton is also within an hour's drive of Toronto and is the same distance to the U.S. border (Buffalo, New York).

## Local Communities

The majority of our newly appointed full time faculty members relocate to Hamilton/Burlington. Below are links to the cities websites which in turn will provide information on city services (Property Taxes, Public Transportation, etc.) and to tourism sites which provide information on local attractions.
