Overview

This three day practical review course will help the residents to prepare for the Specialty examination in Anatomical and General Pathology for certification by the Royal College of Physicians and Surgeons of Canada.

Course Directors

Course Director - Vina Alexopoulou, MD, FRCPC (Hamilton)

Course Co-Director - Jagdish Butany, MBBS, MS, FRCPC (Toronto)

Who Should Attend?

This course is open to all Canadian trainees, US trainees, CAP-ACP resident members as well as non-members and pathologists. Priority will be given to PGY5 and PGY4 residents who are members of the CAP-ACP.

Objectives

An experienced faculty team has been assembled to collaborate on the topics and presentation of the course material to provide attendees with a practical review of major topics in the specialty of Anatomical and General Pathology. Your faculty of skilled pathologists will focus on what you need to know in preparation for the examination.

Accreditation

The 2nd Annual Canadian Association of Pathologists/Association canadienne des pathologistes Residents Review Course is accredited by the Canadian Association of Pathologists. This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada.
