PITUITARY GLAND PATHOLOGY AND TREATMENT
9:00-9:30 am
B.W. Scheithauer, Mayo Clinic
New Developments in Studies of Pituitary Gland Pathology
Speaker of the Royal College of Physicians and Surgeons of Canada

9:30-10:20 am
A. Kassem, University of Pittsburgh
Progress in Treatment of Pituitary Tumours

10:20-10:30 am
Discussion and Coffee Break

ROYAL COLLEGE LECTURE
11:25-12:50 am
B.W. Scheithauer, Mayo Clinic
Overview of New WHO Classification of Brain Tumours with Emphasis on New Entities Part 1 & 2
Speaker of the Royal College of Physicians and Surgeons of Canada

12:50-1:00 pm
Discussion

1:00-2:00 pm
Lunch Break

MOLECULAR PATHOLOGY OF BRAIN TUMOURS
2:00-2:30 pm
A. Guha, University of Toronto
Intratumoural Molecular Heterogeneity in Glioblastoma Multiforme

2:30-3:00 pm
M. Taylor, University of Toronto
Molecular Genetics of Medulloblastomas

3:00-3:15 pm
Coffee Break

3:15-3:30 pm
J. Macri, McMaster University
Potential Role of Proteomics in Diagnosis and Management of Brain Tumours

3:30-3:50 pm
S. Singh, McMaster University
Brain Tumour Initiating Cells

3:50-4:10 pm
A. Guha, University of Toronto
Genetically Engineered Mouse Glioma Model

4:10-4:30 pm
Discussion and Coffee Break

DIAGNOSTIC NEURO-ONCOLOGY
4:30-4:40 pm
A. Yassin and J. Provias, McMaster University
Congenital Brain Tumours

4:40-4:50 pm
B. Lach, McMaster University
Uncommon Variants of Ependymomas

4:50-5:00 pm
A. Kurian, J. Sussman, C. Ross, M. Sur, McMaster University
Central Nervous System Lymphomas: A clinicopathologic study

5:00-5:15 pm
H. Hirti, McMaster University
Update on Current Treatment of Brain Tumours and Ongoing Drug Trials

5:15 pm
Discussion and Closing Remarks

This event is supported by Educational Funds, Department of Pathology and Molecular Medicine, McMaster University and Schering-Plough Canada

Lunch and Refreshments were provided through the generosity of Olympus Canada

Unrestricted educational grants are sources of revenue provided to physician organizations to support the development of a CPD activities or materials without any conditions or influence from the donor regarding the design, development, delivery and content of the activities or materials.
