

**Clinician Educator Faculty Position
Division of Hematology-Oncology
Department of Pediatrics**

The Department of Pediatrics at McMaster University and McMaster Children's Hospital are seeking **two full-time academic physicians** to join the Division of Pediatric Hematology-Oncology. The successful candidates will be able to demonstrate evidence of clinical and research expertise in pediatric hematology/oncology. We are seeking one candidate with expertise in neuro-oncology and/or solid tumors and another with expertise in general hematology, thrombosis and hemoglobinopathy. Preference will be given to candidates who have completed additional fellowship training in these areas. They will share responsibilities in delivering the comprehensive clinical services provided by the Division and will participate in research and educational activities.

McMaster University is internationally recognized for innovations in medical education and pioneering biomedical, epidemiological and health systems research. Located in Hamilton, on the edge of Lake Ontario and the picturesque Niagara escarpment, McMaster Children's Hospital is a tertiary referral centre serving a population of more than 2.3 million. The Division of Pediatric Hematology-Oncology is a full member of the Children's Oncology Group. The Division currently has thirteen members (including three radiation oncologists and a research scientist). It is a research-intensive group; the successful candidates will be encouraged to develop a clinical investigative agenda as well as participate in educational activities within the undergraduate medical program and the Royal College accredited pediatric and pediatric hematology-oncology post-graduate training programs.

These positions will incorporate academic appointments appropriate to the qualifications and expertise of the applicants. We offer a collegial atmosphere, a unique academic environment, many research opportunities and the opportunity to work in a growing academic department with enthusiastic colleagues.

All qualified applicants are encouraged to apply; however, Canadian citizens and permanent residents will be considered first for this position. To comply with the Government of Canada's reporting requirements, the University is obliged to gather information about applicants' status as either Permanent Residents of Canada or Canadian citizens. Applicants need not identify their country of origin or current citizenship; however, all applications must include one of the following statements: Yes, I am a citizen or permanent resident of Canada - or - No, I am not a citizen or permanent resident of Canada.

Applicants should be certified (or eligible for certification) in Pediatrics and Hematology/Oncology by the Royal College of Physicians and Surgeons of Canada and must be licensed (or eligible for licensure) in the Province of Ontario.
