X-ray Quiz

K. Lee

Format

Most presentations will be in the form of cases derived from infants referred to the NICU at McMaster Children’s Hospital over the last 12 months. They will be presented in a step-by-step fashion with audience participation. Each will be followed with a brief “take home message”. The audience must solve all cases presented. The format is informal and meant to draw on the collective expertise of the participants.

21st ANNUAL

Practical Neonatology for the Pediatrician

November 23rd, 2011

REGISTRATION FORM – *Register Early as Space is Limited!*

NAME (*Please indicate your title and discipline*): _____

HOSPITAL: _____
