

# 8<sup>th</sup> Annual Update in GERIATRICS

“ Health Promotion in  
our Aging Population ”

Wednesday, November 28<sup>th</sup>, 2018 Liuna Station, 360 James St. N., Hamilton, ON

## TARGET AUDIENCE

- Family Physicians
- General Internal Medicine Physicians
- Physician Assistants
- Nurses
- Occupational Therapists
- Physiotherapists
- Social Workers
- Pharmacists
- Other Health Care Professionals
- Students
- Residents

## LEARNING OBJECTIVES

By attending this activity, participants will be able to:

- Acquire evidence-based and practical approaches to health promotion and prevention for older adults.
- Address key topics such as management/prevention of behavioural and psychological symptoms of dementia, wound care, falls and fractures, and social isolation, in addition to other important topics relating to healthy aging.

## FEATURED SPEAKERS

### DR. ROGER WONG

Roger Wong is Executive Associate Dean, Education in the Faculty of Medicine, University of British Columbia (UBC). He brings extensive leadership to this role, having served as the Associate Dean, Postgraduate Medical Education in 2012-2016. He is also a Clinical Professor in the Division of Geriatric Medicine in the Department of Medicine. Dr. Wong received his MD degree with Honours in Research (Medicine) from the University of Alberta and completed postgraduate and fellowship training there. His medical education achievements (CanMEDS, quality improvement) have been recognized with the UBC Killam Teaching Prize, Royal College of Physicians and Surgeons of Canada Donald Richards Wilson Award, and the UBC Medicine MasterTeacher Award. Dr. Wong was elected to Fellowship in the Canadian Academy of Health Sciences, one of the highest honours in the health sciences field in Canada. He was also elected to Fellowship in the American College of Physicians. Dr. Wong has received numerous awards of appreciation from the Alzheimer Society of British Columbia to recognize his advocacy work in the community.

### DR. BARBARA RESNICK

Barbara Resnick, PhD, CRNP is a Professor in the Department of Organizational Systems and Adult Health at the University of Maryland School of Nursing, co-directs the Adult/Gerontological Nurse Practitioner Program and the Biology and Behavior Across the Lifespan Research Center of Excellence, holds the Sonya Ziporkin Gershowitz Chair in Gerontology, and does clinical work at Roland Park Place. Her research program is focused on optimizing function and physical activity among older adults, exploring resilience and genetics on function and physical activity, and testing dissemination and implementation of interventions in real world settings. Dr. Resnick has over 250 published articles, numerous chapters in nursing and medical textbooks, and books on Restorative Care and Resilience. She is the editor of Geriatric Nursing, an associate editor of numerous journals and on editorial board for numerous journals. She has held leadership positions in multiple organizations including the American Geriatrics Society and the Gerontological Society of America and has been recognized for numerous national awards.

# GENERAL INFORMATION

## ACCREDITATION STATEMENTS

McMaster University, Continuing Health Sciences Education Program (CHSE) is fully accredited by the Committee on Accreditation of Continuing Medical Education (CACME) to provide CFPC Mainpro+ and RCPSC Maintenance of Certification (MOC) study credits for Continuing Medical Education.

This one-credit-per-hour Group Learning program meets the certification criteria of **The College of Family Physicians of Canada** and has been certified by the McMaster University Continuing Health Sciences Program for up to **5.75 Mainpro+ credits**.

This activity is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of **The Royal College of Physicians and Surgeons of Canada** and approved by McMaster University, Continuing Health Sciences Education Program for up to **5.75 MOC Section 1 hours**.

Through an agreement between **The Royal College of Physicians and Surgeons of Canada and The American Medical Association**, physicians may convert Royal College MOC credits to AMA PRA Category 1 Credits™. Information on the process to convert Royal College MOC credit to AMA credit can be found at [www.ama-assn.org/go/internationalcme](http://www.ama-assn.org/go/internationalcme). \*Each healthcare provider should claim only those hours of credit that he/she actually spent in the educational activity.

## LIABILITY

Continuing Health Sciences Education (CHSE) hereby assumes no liability for any claims, personal injury, or damage:

- To any individual attending this activity.
- That may result from the use of technologies, program, products &/or services at this activity.
- That may arise out of, or during this activity.

## CONFIRMATION OF REGISTRATION

A written acknowledgment of your registration will be sent prior to the activity. Receipts are emailed at the time of registration and an additional email will be sent after the activity, confirming your certificate of attendance is ready to download or print. Your registration is not complete unless a confirmation is received. If you have not received a confirmation within 7 days of registration, please contact the CHSE office.

## CANCELLATION POLICY

McMaster University reserves the right to cancel a course due to insufficient registration or any circumstances that are beyond our control. Cancellations received before **NOVEMBER 7, 2018**, will be refunded less a 25% administrative fee to a maximum of \$50.00. No refunds will be issued for cancellations received after this date.

## ACTIVITY PACKAGES

As the registrant, your activity package includes breakfast, nutritional breaks, and lunch. Your activity lanyard must be worn at all times throughout the day. If you have a guest accompanying you to the conference, their meals are at their own cost and will be billed directly.

## PHOTOGRAPHY

Photos will be taken at the activity. Your registration implies your permission for these photos to be used for promotional material. Individuals in photographs will not be identified.
