Schulich School of Medicine & Dentistry  
London, Ontario

# Accommodations

Please note that the Fallsview Casino is no longer offering conference blocks of rooms. You are still welcome to make an individual booking there, but no conference rate would apply. As an alternative, please note that a small block of rooms has been reserved for **May 5 & 6, 2017** at the **HILTON NIAGARA FALLS FALLSVIEW**. The Hilton is connected by a walkway to the Fallsview Casino, and is therefore very conveniently located. Please call the hotel's group reservation office directly at 1-866-873-9829 to book your accommodation, and state that you are with the "CAN-AM ANESTHESIA CONFERENCE." Be sure to book by April 5, 2017 to ensure conference rate.

## Special Rates:

Rooms for Friday, May 5, 2017  
**\$149.00 (Cdn) Standard Room**  
**\$199.00 (Cdn) Fallsview Room**

Rooms for Saturday, May 6, 2017  
**\$189.00 (Cdn) Standard Room**  
**\$239.00 (Cdn) Fallsview Room**

Website: [www.niagarafallshilton.com](http://www.niagarafallshilton.com)

# Accreditation Statements

McMaster University Continuing Health Sciences Education Program (CHSE) is fully accredited by the Committee on Accreditation of Continuing Medical Education (CACME) to provide RCFPC Mainpro and RCPSC Maintenance of Certification (MOC) study credits for Continuing Medical Education.

This activity is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of The **Royal College of Physicians and Surgeons of Canada** and approved by McMaster University, Continuing Health Sciences Education Program for up to **5.5 MOC** Section 1 hours.

### ACCREDITATION

The University at Buffalo Jacobs School of Medicine and Biomedical Sciences is accredited by the ACCME to provide continuing medical education for physicians.

### CERTIFICATION

The University at Buffalo Jacobs School of Medicine and Biomedical Sciences designates this live activity for a maximum of **5.5 AMA PRA Category 1 Credit(s)™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Each healthcare provider should claim only those hours of credit that he/she actually spent in the educational activity.

# Cancellation Policy

The University reserves the right to cancel a course due to insufficient registration or any circumstances that are beyond our control. Cancellations received before **Friday, April 21, 2017** will be refunded less a 25% administrative fee to a maximum of \$50.00. No refunds will be issued for cancellations received after this date.

# Liability

**Continuing Health Sciences Education (CHSE) hereby assumes no liability for any claims, personal injury, or damage:**

- To any individual attending this activity.
- That may result from the use of technologies, program, products and/or services at this activity.
- That may arise out of, or during this activity.

# Freedom of Information and Protection of Privacy Act

The information on this form is collected under the authority of the McMaster University Act, 1976. The information will be used for administrative purposes, including: your registration in the course; preparation of course materials for your use and to notify you of other courses or pertinent information. Financial information will be used to process applicable fees and will be retained for future reference. This information is protected and is being collected pursuant to section 39(2) and section 42 of the Freedom of Information and Protection of Privacy Act of Ontario (RSO 1990). Questions regarding the collection or use of this personal information should be directed to the University Secretary, Gilmour Hall, Room 210 McMaster University.

**PHOTOGRAPHY** Candid photos will be taken at the event. Your registration implies your permission for these photos to be used for promotional material. Individuals in photographs will not be identified.

# Learning Objectives

**At the conclusion of the program, participants will be able to:**

- Review the latest innovations in regional anesthesia
- Describe evidence-based advancements in caring for pediatric patients
- Advocate for the role of the anesthesiologist as a patient safety leader
- Understand the new model of competence-based residency education being implemented in Canada
- Manage a bleeding parturient according to the most current recommendations
- Recognize the characteristics of a model professional in anesthesia practice
- Identify the key considerations for the bariatric patient in the operating room
- Determine which of the novel and minimally-invasive measures of hemodynamics are useful for any patient
