

G Suite For Education

Wednesday, May 22, 2019
11:30 a.m. to 12:30 p.m.

David Braley Health Sciences Centre –
100 Main St. West, Hamilton, ON (corner of Main & Bay)

Open to All – No Registration Fee

G Suite for Education is the same set of apps you may already know – Gmail, Docs, Drive, Calendar and more – designed with new intelligent features that make work easier and bring teachers and students together. Join us for this brief and informative session – and find out about free resources and how you may implement them into your teaching practice.

At the end of this 1 hour workshop, the participants will be able to:

- Acquire an understanding on the use of **Google Suite for Education** to augment their teaching and learning;
- Engage in discussion re: the collaborative nature of Google Docs;
- Develop an understanding of the creation of quizzes and surveys using Google Forms and;
- Use the Video Conferencing features of Google Hangouts.

Facilitator: **Mr Jason Lamb**, Audio Visual &
Information Technology Specialist
Learning Technologies Lab (LTL)
