Annual salary:

 Include the Excel spreadsheet (Template is available on the FHS FR website). This needs to have the salary information for all active full time faculty in your department. FHS HR can provide the payroll information for base salary payments for the last 2 pays; RMA can provide the ceiling payments for the previous month. Please also complete the information regarding division affiliations for clinical faculty. All sheets must be filled out so that we have the data available in case of audit. Please note that this information is regarded as highly confidential and is stored in a secure location.
