

# HARGREAVE RESEARCH FELLOWSHIP

A position is available for a one-year Fellowship named for Dr. Frederick (Freddy) Hargreave, a pioneer in the field of asthma and pulmonary medicine and a dearly missed colleague. The position will be based at the Firestone Institute for Respiratory Health, St. Joseph's Healthcare and affiliated with McMaster University. There is potential for renewal for a second year.

The ideal candidate will be a medical graduate who has completed post-graduate clinical training in Respiriology or a closely related field who wishes to develop a career as a clinician scientist and is eligible to obtain an educational clinical license with the College of Physicians & Surgeons of Ontario . This individual will have: an inquisitive nature; will be expected to have an interest in respiratory research; will have strong communication and collaboration skills; and, a keen interest in chronic lung disease (asthma, COPD, interstitial lung disease). We encourage interested candidates to review the remarkable career of Dr. Hargreave (<http://www.fhs.mcmaster.ca/firh/freddy.htm>) and the research interests of FIRH faculty as presented on the Firestone Institute for Respiratory Health website ([www.firh.ca](http://www.firh.ca)) for other areas of interest.

Letters of interest, accompanied by curriculum vitae, should be sent to:

Dr. Martin Kolb  
Director, Division of Respiriology  
Research Director,  
Firestone Institute for Respiratory Health  
50 Charlton Avenue East, T2120  
Hamilton, ON L8N 4A6  
email: [kolbm@mcmaster.ca](mailto:kolbm@mcmaster.ca)

Application Deadline: January 31, 2018
