

# May Cohen Lecture 2022

September 15, 2022

MDCL 3020,

4:00pm - 5:15pm

## A Military Veteran's Reflection on Lessons Learned about Women's Health

Presented by Dr. Karen Breeck CD, MHSc, MD

Dr. Breeck's interest in women's health was first sparked by reading Dr. Cohen's "Training Manual on Mainstreaming Gender Integration". This lecture will explore the ongoing influence of Dr. Cohen's pivotal work on Dr. Breeck's subsequent 35 years of collecting professional and personal lessons learned about women's health in serving and retired Canadian Armed Forces members.
