Postgraduate Medical Education
INFORMATION FOR CLINICAL FELLOWSHIP

Clinical Fellows are postgraduate trainees who have completed the resident training required for College of Family Physicians of Canada (CFPC) or Royal College of Physicians and Surgeons of Canada (RCPSC), or equivalent certification and who are engaged in an educational program with objectives and evaluation procedures. Clinical Fellows require either an Independent Practice or Educational license. (Certificate of Registration authorizing independent practice/postgraduate training). In order to assess this proposed fellowship the following information is needed:

- 1. Name _____
- 2. Training Program _____
- 3. Name of the fellowship **as will appear on the final certificate of training:**

- 3. Immediate Supervisor _____
- 4. Educational Objectives of Clinical Fellowship (use separate page if necessary)

- 5. Evaluation Procedure (frequency, method of evaluation, and report)

It is understood that clinical functions will be pursued during this appointment and therefore a valid educational (or independent) license is required.
