## LEAP In-Depth/McMaster 3 Days

Due to the COVID-19 pandemic, Pallium Canada and the Department of Family Medicine at McMaster University have partnered to create a unique online learning opportunity for health care professionals.

LEAP In-Depth/McMaster 3 Days combines the curriculum of Pallium's *LEAP In-Depth* with McMaster University's *3 Days in Palliative Care*. This is a unique opportunity for health care professionals to continue learning about the palliative care approach and focus on different disease conditions and other topics.

Space is limited to 30 participants in each session - register now! Participants can choose to register for some or all of the following sessions:

Wednesday February 17, 2021 Recap of the Palliative Care Approach	3 - 7 pm ET
Thursday February 18, 2021 Unique Situations	3 - 7 pm ET
Tuesday March 9, 2021 Transitions in Long-Term Care	3 - 7 pm ET
Thursday March 11, 2021 In-Depth Conversations	3 - 7 pm ET
Monday March 15, 2021 Advanced Liver and Heart Diseases	3 - 7 pm ET
Tuesday March 16, 2021 Kidney and Neurological Diseases	3 - 7 pm ET

### Pricing

LEAP In-Depth/McMaster 3 Days is open to an interprofessional audience (physicians, nurses, pharmacists, social workers, etc.). In recognition of the hard work of health care professionals throughout the COVID-19 pandemic, the price for these sessions has been reduced.
